Dear Parent/Carer,

6<sup>th</sup> January 2014

BBC Wales is making a programme looking at education in Secondary schools in Wales and in particular how schools are successfully addressing the improvement agenda.

As part of the programme we will be filming at St Illtyd's Catholic High School. We will be interviewing members of staff and filming pupils in classes and also taking some general shots around the school of everyday life.

We will make the presumption that pupils and parents will want to participate in the programme. However, if you do not wish your child to be featured we can ensure they are not filmed. Please would you let the school know as soon as possible if you have any objections by completing the pro forma below, returning it to school by Wednesday 8<sup>th</sup> January 2014.

We are hoping to film at the school on a few occasions during early January. The programme is scheduled to be broadcast on BBC1 Wales in late February /early March- we will let the school know when as soon as an exact date is confirmed.

Yours faithfully,

Rhidian Thomas  
Week in Week Out, BBC Wales
