

ST. ILLTYD'S CATHOLIC HIGH SCHOOL

MOBILE PHONE POLICY

The school recognises that mobile phones are now an important aspect of everyone's life and have considerable value, particularly in relation to individual safety. The school, therefore, accepts that students are permitted to bring mobiles to the school but that their use anywhere on the school premises is not permitted.

The school aims to educate students in the responsible use of technology.

Whilst the Governors give permission for phones to be brought to the school, responsibility for the phone rests with the student and the school will take no financial responsibility for loss. The school bears no responsibility for confiscated items.

Responsible Use

Students must use phones etc. responsibly at all times.

- i) Students must ensure that files stored on their phones do not contain violent, degrading or pornographic images. The transmission of some information is a criminal offence. Students found to be responsible for this will have their phone confiscated; it will be returned to their parent/carer, or passed to the police.
- ii) Cyber-bullying is completely unacceptable, students found to be responsible for this will have their phone confiscated; it will be returned to their parent/carer, or passed to the police.
- iii) The school is a workplace, phones must be switched off and kept in bags at all times during and between lessons.

Note: all points in the policy apply to phones, i-pods, MP3/MP4 players and any similar device.
