Professional Learning Plan Overview

Event	Activity	Frequency
Whole Staff Training Skills	Skills Literacy Skills Numeracy Skills DCF	Two every Half term
Whole Staff Training Targeted Pupils	Closing the gap FSM MAT Pupils	Two every Half term
Whole Staff Training St Illtyds Six	Excellent Expectations Plan for Progress Maximise Motivation Quality Questioning Strengthen Skills Check Comprehension	Half termly focus on each one
Twilight Sessions (Five)	ALN Bill (2) PM (3)	Spread throughout the year

Each event will lead to tasks for the staff to do whose impact can be measured.

As well as these training opportunities staff will also have time to plan for the new curriculum in department and faculty sessions.

Staff are also able to undertake professional development opportunities off site, such as those courses provided by the WJEC and CSC.

All such training, both in house and out, is to be reflected in Performance Management targets and have to have an impact on classroom pedagogy or personal development.
