16th April 2021

Dear Parent/Carer,

I hope you and your families are well.

I am just writing to clarify the school's position on Covid 19 testing results and to request that you let the school know of the outcome of any Covid test within your household.

Firstly thank you all for informing us when you have taken your child for a test or another member of your household has taken a test. We also thank you for keeping them at home until they have received a negative test result or completed the required ten day isolation period. It has been a great help in allowing us to monitor and track any potential Covid cases. In the past when the result has been positive your swift action in notifying us, with the evidence, has also allowed us to deal with the situation promptly.

Could we please ask you to email a copy of your negative Covid test result as well as any positive result to info@stilltyds.org.uk. This way we can confirm that your child can return and it avoids any confusion over whether it is safe for them to do so or not. Thank you to everyone who has done this so far.

It has been a really good week in the classroom and out. The pupils have also been excellent in complying with the Covid guidelines. Thank you for all your support and help in ensuring that this has happened and thank you for the high standard of uniform - despite everyone seeming to have grown so much these past months! It is much appreciated.

Have a great weekend.

David Thomas
Headteacher
