Dear Parent/Carer,

I am writing to you with regards to changes to the school entrance.

For a number of years there have been concerns over the ease of access to the school site, especially when school is in session. This is to be addressed by the construction of a new pedestrian and road gateway over the half term holiday.

The new gates will be open before school and after 2.35pm. However, from 8.30am until 2.35pm they will be closed and access to the school will be via an intercom system for all visitors, in a vehicle or on foot.

The works have begun today with the digging of a trench but will begin in earnest on Friday. As you know, we finish this half term on **Thursday 21st October** so the intention is that the new entrance system will be in place when we return after half term.

We hope this will keep any disruption to a minimum.

Thank you in advance for your patience as the new system beds in next half term and thank you for all your help and support of the school since our return in September.

We wish all our pupils and families a happy and restful break.

Best wishes,
